About Evertek . . .

Proud to serve you!

Evertek, Inc., founded in 1986 and United Farmers Telephone Company, founded in 1905, are headquartered in Everly, Iowa and subsidiaries of Evertek Enterprises.

Evertek is a Total Communications provider offering an array of services via Fiber, wireless and satellite. These services include Internet, IPTV and Digital Phone.

Evertek also provides Public Safety as well as Security & Monitoring Systems. Evertek holds and has deployed the BRS spectrum for Mason City, Sioux City, and Fort Dodge with towers that extend coverage into Eastern Nebraska and South Dakota.

With unique partnerships with Municipalities, ILEC's, CLEC's, and Electrical Cooperatives, we have opened the door to new opportunities extending our coverage area while closing the gap for underserved areas.

Get $25!

Refer a Friend

Surveillance, Smart Home & Home Security

From business to home . . .

We've got you covered!

EVERTEK

712-834-22554 www.evertek.net

Get the peace of mind your family & business deserves!

Surveillance Video System

Watch from Anywhere . . .
Home, Business or Farm Surveillance

You want to keep tabs on your business, home or livestock no matter where you are, and we have indoor & outdoor solutions to give you peace of mind.

A video surveillance system is a smart move, and there are many options to consider. Our certified local experts listen to your needs, answer your questions, explain your options and make sure you have the right equipment/setup to meet your needs.

When you're ready, our certified security technician will do a "walk-through" with you and provide a quote specific to your needs, **free of charge**.

Smart Home

Peace of Mind . . . with the Benefits of Freedom & Flexibility!

Today's low-cost sensors allow you to monitor and control your home. Get notifications via text or email or our 24-hour monitoring staff. You can check alerts and make adjustments from your smartphone, tablet or computer.

Home Security

Build a Customized System to Fit Your Needs & Budget!

A customized solution is what many customers need after consultation. Devices which address your needs & provide peace of mind, such as door transmitters, motion, smoke/heat, flood and CO sensors and home controllers are priceless. Add our Total Connect system, and you can control your world from anywhere in the world.

24-HR MONITORING
Central monitoring with link to emergency services

REMOTE VIDEO
